SUMMARY

Final-year B.E. Information Technology student with strong problem-solving and analytical skills. Experienced in developing technology solutions through academic projects involving data analysis, web applications, and process automation. Proven ability to coordinate with multiple stakeholders through Training and Placement Organization (TPO) responsibilities. Skilled in Python, SQL, and business-oriented technology solutions, with a keen interest in SaaS products, implementation consulting, customer success, and technology-driven problem solving.

EDUCATION

Bachelor of Engineering (YOP- 2026)

Information Technology in Vasantdada Patil Pratishthan's College of Engineering, Mumbai

HSC, Sathaye Junior College, Mumbai

SSC, St' Anthony's High School, Mumbai

Projects

Crime Detection Analysis(Machine Learning Project)

- Developed a web-based application to analyze crime data across India
- Applied machine learning techniques for identifying crime patterns
- Used data visualization techniques such as heat maps for insights
- Improved interpretability of crime trends for analytical purposes

HR Buddy Master(Web Application)

- Built a React-based web application to streamline HR workflows
- Designed a student-focused aptitude preparation module
- Improved workflow efficiency through structured UI design

WORK EXPERIENCE

Virtual Internship

JULY 2024 – SEPTEMBER 2024 Edu Skills - AICTE, Mumbai

- Gained hands-on exposure to Gemini AI
- Learned Android development basics using Jetpack Compose
- Understood AI integration concepts in mobile applications

CERTIFICATIONS

Software Application Program, Keerti Institute of Technology Feb2022-March 2023

TNS India – AI & Machine Learning Training (College Program)

- Trained in fundamentals of Artificial Intelligence and Machine Learning
- Learned supervised and unsupervised learning concepts
- Worked with Python for data preprocessing and basic model building
- Understood real-world AI use cases and problem-solving approaches

EXTRA-CURRICULAR ACTIVITIES

Student Coordinator, Training and Placement Organization (TPO), Sion, Mumbai

- Coordinated between students, faculty members, and recruiters during placement activities.
- Managed communication and scheduling for placement drives and recruitment events.
- Assisted in organizing placement-related processes and maintaining stakeholder coordination.
- Collaborated with teams to ensure smooth execution of recruitment activities.

SKILLS

- Python
- SQL
- Machine Learning (Fundamentals)
- Data Preprocessing
- HTML, CSS
- Teamwork
- Fast Learner
- Communication
